— Habitat

Arriving home in winter after a day at work, lighting a fire, slipping into comfortable clothes and enjoying a peaceful moment is simply priceless. Nothing compares to the warmth of your home.

This scene gave rise to a fabric-inspired collection, which replicates a marbled canvas full of colour hues in its threads.

Llegar a casa después de un día de trabajo en invierno, encender la chimenea, ponerse ropa cómoda y disfrutar de un momento de relax no tiene precio. Nada es comparable con la calidez del hogar.

A partir de esta escena surge una colección inspirada en los tejidos, que reproduce una tela jaspeada repleta de matices de color en sus hilos.

Habitat is a tile for experiencing, for walking barefoot on, for feeling its delicate texture and for admiring the infinite nuances within its pieces; threads that become language through movement.

And a broad colour range that allows for endless combinations: white, sky, grey, blue and cappuccino.

Habitat es una cerámica para vivirla, para pasear descalzo, sentir su delicada textura y observar sus infinitos matices dentro de sus piezas, hilos que a través de su movimiento se convierten en lenguaje.

Amplia gama cromática que nos permite un sinfín de combinaciones: white, sky, grey, blue y capuccino.
