Crayon, a tropical treasure.

Fresh and lush as a jungle, but also sophisticated and elegant. This design can balance seemingly antithetical concepts, thanks to its own color palette and outstanding glossy and matt effects that form a flora-inspired design.

Crayon, tesoro tropical.

Selvático, fresco, pero lleno de sofisticación y elegancia. Un diseño capaz de equilibrar conceptos aparentemente antagónicos gracias a su personal paleta de color y los espectaculares efectos de brillos y mates que componen una gráfica de inspiración vegetal.
