REVESTIMIENTO - WALL TILES  
31,5X100 - 30X60

La interpretación de la piedra arenisca, sus relieves desgastados por la erosión ambiental y el paso del tiempo, conforman la esencia de la serie de revestimiento Loire y la serie de porcelánico Village.

This interpretation of sandstone, featuring reliefs worn by the elements and the passage of time, is the essence of the Loire wall tile series and the Village porcelain series.

Die Interpretation des Sandsteins, mit abgenutzt wirkenden Reliefs, die infolge der Umwelterosion und des Laufs der Zeit entstanden sind, bilden die Essenz der Wandfliesen Loire und der Serie Village in Feinsteinzeug.

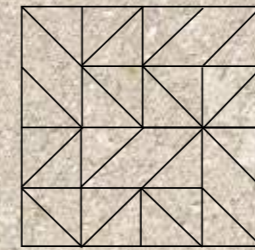

L'interprétation de la pierre gréseuse, ses reliefs usés par l'érosion environnementale et le passage du temps constituent l'essence de la série de carrelage de mur Loire et la série de grès cérame Village.
