## BELLEZZA SENZA TEMPO

Moonstone è una serie che prende ispirazione dalla Quarzite di origine brasiliana: una pietra naturale, ricca di dettagli, apprezzata per i suoi colori caldi e avvolgenti. La combinazione di venature bianche geometriche che la percorrono nella sua interezza e lavorazioni effettuate attraverso tecnologie innovative le consentono di rivestire ambienti esclusivi creando atmosfere uniche e ricercate.

Moonstone range is inspired from the brazilian quartzite: a natural stone, enriched with details and appreciated for its warm and enveloping colours. The combination of white, geometrical veins, found throughout the whole surface, and the processing made through innovative technologies, allows Moonstone to dress exclusive rooms, creating unique and sophisticated environments.
